This study aims to determine: (1) the influence of social media on purchasing decisions for Thanksinsomnia fashion products on Shopee, (2) the influence of *influencers* on purchasing decisions for Thanksinsomnia fashion products on Shopee, (3) the influence of fear of missing out (*FOMO*) on purchasing decisions for Thanksinsomnia fashion products on Shopee. Data was obtained by distributing an online questionnaire to Thanksinsomnia consumers in Special Region of Yogyakarta . The population for this study is the entire population of Special Region of Yogyakarta, with a sample size of 119 respondents. Sampling was conducted using a non-probability sampling technique with purposive sampling method. The instrument test in this study used validity and reliability tests. Data analysis was performed using multiple linear regression analysis. The research data was processed using SPSS 25 software. The results of this study indicate that (1) Social Media had an influence on purchasing decisions for Thanksinsomnia fashion products on Shopee, (2) *Influencers* did not have an influence on purchasing decisions for Thanksinsomnia fashion products on Shopee, (3) Fear of Missing Out did not have an influence on purchasing decisions for Thanksinsomnia fashion products on Shopee.

Keywords: social media, influencer, fear of missing out, and purchase decision.
