

ABSTRAK

Judul skripsi ini adalah “UPAYA MENINGKATKAN KETERLIBATAN UMAT DALAM HIDUP MENGGEREJA DI STASI SANTO LUKAS, SOKARAJA, PAROKI SANTO YOSEP PURWOKERTO TIMUR, JAWA TENGAH MELALUI KATEKESE UMAT MODEL *SHARED CHRISTIAN PRAXIS*”. Judul ini dipilih bertitik tolak dari keprihatinan penulis terhadap umat di Stasi Santo Lukas Sokaraja. Jumlah umat Stasi kurang lebih 335 orang namun sebagian besar belum terlibat dalam kegiatan hidup menggereja. Umat yang aktif hanya orang-orang tertentu saja seperti ketua lingkungan, katekis, prodiakon dan sebagian umat yang memiliki semangat melayani, sehingga tidak semua kegiatan yang dilaksanakan di Stasi maupun Lingkungan mendapat dukungan penuh dari umat. Tujuan dari penulisan skripsi ini adalah untuk melihat bagaimana pemahaman umat Stasi Santo Lukas Sokaraja mengenai hidup menggereja serta penerapannya dalam kehidupan sehari-hari dan mengetahui bentuk kegiatan yang mampu meningkatkan keterlibatan umat dalam hidup menggereja.

Bertolak dari tujuan penulisan, penulis memperoleh data dengan mengadakan penelitian. Penelitian dilakukan dengan menyebarkan kuesioner dan wawancara kepada umat Stasi Santo Lukas Sokaraja. Hasil penelitian menyatakan sebagian besar umat sangat setuju bahwa kesaksian akan Yesus Kristus diwujudkan lewat tindakan nyata sehari-hari. Mereka juga setuju bahwa semua umat Stasi Santo Lukas Sokaraja aktif dalam kegiatan gerejani.

Gereja merupakan persekutuan orang-orang yang beriman kepada Kristus sebagai perwujudan karya Allah yang konkret. Gereja berdiri kokoh atas dasar Kristus sebagai Kepala dan Allah yang berkarya memanggil umat-Nya untuk diberikan tanggung jawab dan kebebasan. Umat Katolik yang telah dibaptis dan menerima sakramen Penguatan atau Krisma diharapkan mampu untuk mengambil bagian dalam tugas perutusan Yesus Kristus sebagai Imam, Nabi dan Raja. Ardhisubagyo mengartikan hidup menggereja sebagai pengabdian sukarela untuk mengambil bagian dalam lima tugas Gereja yaitu *koinonia*, *kerygma*, *martyria*, *liturgia* dan *diakonia*. Dengan demikian kaum awam berperan aktif dalam kehidupan dan kegiatan Gereja.

Berdasarkan keprihatinan di atas, penulis mengusulkan katekese umat model *Shared Christian Praxis* (SCP) sebagai usaha untuk meningkatkan keterlibatan umat dalam hidup menggereja di Stasi Santo Lukas Sokaraja. Penulis memilih katekese umat model SCP karena katekese ini dianggap dapat membantu umat Stasi Santo Lukas Sokaraja untuk semakin aktif terlibat dalam kegiatan hidup menggereja, bukan hanya hadir saja tetapi ikut ambil bagian dalam kegiatan. Tema umum yang diangkat dalam usulan program ini adalah “Panggilan untuk meningkatkan hidup menggereja umat mengikuti Kristus dengan Dasar Iman”. Kesimpulan dari skripsi ini bahwa keterlibatan dan keikutsertaan umat dalam hidup menggereja sangat diharapkan. Keterlibatan umat tidak hanya aktif dalam Perayaan Ekaristi dan koor saja tetapi umat diharapkan dapat terlibat aktif dalam setiap tugas dan peranan Gereja secara keseluruhan sehingga kegiatan hidup menggereja di Stasi Santo Lukas Sokaraja semakin maju dan berkembang.

ABSTRACT

The title of this thesis is the "EFFORTS TO INCREASE THE INVOLVEMENT OF THE FAITHFUL IN PARTICIPATING CHURCH LIFE IN SAINT LUKE STATION, SOKARAJA, PARISH SAINT JOSEPH EAST PURWOKERTO, CENTRAL JAVA THROUGH PEOPLE CATECHESIS BY USING SHARED CHRISTIAN PRAXIS MODEL". This title chosen was based on writer's concern on the people faithful in the Saint Luke Station Sokaraja. The current number of people in Station approximately 335 people, but most of them have not been involved in the activities of church activities. Those who are active are only some such as neighborhood leaders, catechists, Acolytes and most people who have a passion to serve. Not all activities carried out in the Station, have not received full support from them. The purpose of this paper is to see how the understanding of the faithful of the Station Santo Luke Sokaraja about church life and its application in everyday life and to know the activities that can improve the involvement of people in church living.

Based on the purpose of writing, the writer obtained the data by conducting a research. The study was conducted by distributing questionnaires and interviews to them of Santo Luke Sokaraja Station. The result of the study shows that the majority of people strongly agree that the testimony of Jesus Christ is realized through daily actions. They also agree that all them of Santo Luke Sokaraja Station are active in ecclesial activities.

The church is a fellowship of those who believe in Christ as the embodiment of God's work in concrete. The Church stands firmly on the foundation of Christ as the Head and the work of God who calls His people to have the responsibility and freedom. Catholics who have been baptized and received the sacrament of Confirmation are expected to be able to take part in the mission of Jesus Christ as Priest, Prophet and King. Ardhisubagyo interpret church life is a voluntary service to be taken part in the five duties of the Church. These are *koinonia*, *Kerygma*, *martyria*, *liturgy* and *diakonia*. Thus the laity play an active role in the life and activity of the Church.

Based on the concerns above, the writer proposes a model community catechesis Christian Shared Praxis (SCP) as an effort to increase the involvement of people in participating church life at Station Santo Luke Sokaraja. The writer choose community catechesis SCP model because catechesis is thought to help people Station Santo Luke Sokaraja for getting actively involved in the participating church life, not only to be present but to take part in activities. The common theme raised in the proposed program is "Calling the faithful to follow in faith Christ Basis of Faith".

The conclusion of this paper is that the involvement and participation of people participating church life is expected. Community involvement is not in the celebration of the Eucharist and the choir only but to be actively involved in each task and role of the Church as a whole so that the activities participating church life at Station Santo Luke Sokaraja will be growing.
