ABSTRACT

Ginting, Nola Febiola. (2024). *Analysis of Social Values in the Novel Rain by Tere Liye: Literary Sociology Approach*. Undergraduate Thesis. Yogyakarta: Indonesian Language and Literature Education Study Program, Faculty of Teacher Training and Education, Sanata Dharma University.

Researchers discuss social values and shop characteristics that can develop social values in the novel *Rain* by Tere Liye. The aims of this research are (1) to describe the social values contained in the novel *Rain* by Tere Liye and (2) to describe the characterization of the characters in the novel *Rain* by Tere Liye in developing social values.

This type of research is descriptive qualitative. The data source used in this research is the novel entitled *Rain* by Tere Liye, while the data used in this research is in the form of sentence and paragraph quotations that show social values and character characterization in developing social values through the novel *Rain* by Tere Liye. Data collection techniques in research, namely reading and note-taking techniques. The data analysis techniques in this research are (1) data identification, (2) data classification, (3) data interpretation, and (4) reporting the results of data analysis.

Based on the results of the analysis, researchers found that there are forms of social values in the novel *Rain* by Tere Liye, namely the values of helping, kinship, caring, responsibility, empathy, discipline, cooperation, tolerance and democracy. Character characterization in developing social values uses direct and indirect methods, namely appearance, tone of voice, facial expressions, vocabulary and behavior.

Keywords: novel, social values, sociology of literature
