Humans have distinctive personality. Their personality may or may not change throughout their life. Those changes occur because of the influence of several factors in their life. In *Green Book*, Tony Lip's personality changes because of the influence of Don Shirley.

The researcher formulates two problems for this thesis. The first formulated problem discusses the depiction of Tony Lip and Don Shirley's characteristics. The second formulated problem discusses the impacts of Don Shirley's influence towards Tony Lip's personality development.

To analyze the problem formulated above, the researcher uses the theory of character and characterization from M. Boggs and W. Petrie, and the theory of personality development by Elisabeth Hurllock. The researcher uses library research in order to find the theories and the data which are required for this thesis. Primary data consist of the script of the movie and the video of the movie. Secondary data consist of books, essays, journals, dictionaries, and theses.

The results of the study are first, Tony Lip characteristics are money-oriented, racist, and uncultured. Second, Don Shirley's characteristics are cultured, patient, and courageous. Third, Tony Lip's personalities change by the impacts of Don Shirley's influence. The main factor which stimulates Tony Lip's personality development is Don Shirley. Furthermore, the existence Don Shirley affects the other aspect of Tony Lip's life such as significant people, roles, and environment. The changes in those aspects develop Tony Lip's personality into tolerant, cultured, and sincere.

## ABSTRAK

Pramudya, Albertus Revo (2020). **The Impacts of Don Shirley's Influence towards Tony Lip's Personality Development in Ferrelly's Green Book Script.** Yogyakarta: Program Studi Sastra Inggris, Fakultas Sastra, Universitas Sanata Dharma.

Manusia memiliki kepribadian yang khas. Kepribadian mereka mungkin atau mungkin tidak berubah sepanjang hidup mereka. Perubahan itu terjadi karena pengaruh beberapa faktor dalam kehidupan mereka. Dalam Green Book, kepribadian Tony Lip berubah karena pengaruh Don Shirley.

Peneliti merumuskan dua masalah untuk skripsi ini. Rumusan masalah pertama membahas penggambaran karakterisasi Tony Lip dan Don Shirley. Rumusan masalah kedua membahas dampak pengaruh Don Shirley terhadap perkembangan kepribadian Tony Lip.

Untuk menganalisis masalah yang dirumuskan di atas, peneliti menggunakan teori karakter dan karakterisasi dari M. Boggs dan W. Petrie, dan teori pengembangan kepribadian oleh Elisabeth Hurlock. Peneliti menggunakan metode penelitian kepustakaan untuk menemukan teori dan data yang diperlukan untuk tesis ini. Data primer terdiri dari skrip film dan video film. Data sekunder terdiri dari buku, esai, jurnal, kamus, dan tesis.

Hasil dari penelitian ini adalah pertama, karakteristik Tony Lip berorientasi pada uang, rasis, dan tidak berbudaya. Kedua, karakteristik Don Shirley berbudaya, sabar, dan berani. Ketiga, kepribadian Tony Lip berubah oleh dampak pengaruh Don Shirley. Faktor utama yang merangsang pengembangan kepribadian Tony Lip adalah Don Shirley. Selain itu, keberadaan Don Shirley mempengaruhi aspek lain dari kehidupan Tony Lip seperti orang-orang penting, peran, dan lingkungan. Perubahan dalam aspek-aspek tersebut mengembangkan kepribadian Tony Lip menjadi toleran, berbudaya, dan tulus.
