

ABSTRAK

Tujuan penelitian ini untuk mengetahui kebijakan, penerapan, dan hambatan penerapan *green campus* serta upaya Universitas Katolik Musi Charitas dalam mendukung *Sustainable Development Goals*. Penelitian ini menggunakan pendekatan kualitatif yaitu studi kasus. Hasil penelitian menunjukkan bahwa Universitas Katolik Musi Charitas Palembang sudah memiliki kebijakan *green campus* namun belum terlaksana dengan baik. Penerapan *green campus* di Universitas Katolik Musi Charitas Palembang belum dilakukan dengan baik akan tetapi sudah memiliki inisiatif hijau. Hambatan dalam penerapan *green campus* di Universitas Katolik Musi Charitas Palembang adalah tidak ada sanksi, tidak ada dukungan dari pemerintah, keterbatasan finansial, kurangnya pengetahuan dan pemahaman, kurangnya sarana dan prasarana, kurangnya kesadaran dan kepedulian, dan belum mengintegrasikan *green campus* ke dalam kurikulum. Upaya Universitas Katolik Musi Charitas Palembang mendukung *Sustainable Development Goals* 6 sudah mulai dilakukan namun belum maksimal.

Kata kunci: *green campus*, kebijakan, penerapan, upaya

ABSTRACT

The aim of this research is to determine the policies, implementation, and obstacles implementing green campus and the exertions of the Musi Charitas Catholic University Palembang in supporting Sustainable Development Goals. This research uses a qualitative approach, which is a case study. The results showed, the Musi Charitas Catholic University Palembang already has a green campus policy but not been effected well. The Musi Charitas Catholic University Palembang has a green initiative but the implementation has not been done well. The obstacles in implementing green campus at Musi Charitas Catholic University Palembang are lack of management commitment, no authorizations, no support from the government, financial limitations, lack of knowledge and understanding, lack of facilities and infrastructure, lack of awareness and care, and not yet integrating green campus into in the curriculum. The exertions of Musi Charitas Catholic University Palembang to support Sustainable Development Goals 6 have begun but have not been maximized.
